

HOW TO GET TO EGLINTON VALLEY CAMP

Eglinton Valley Camp is roughly 62km in distance from Te Anau, along the SH94 / Milford-Te Anau Highway. The drive takes between 45 mins and 1 hour (depending on weather conditions.) There is limited mobile phone coverage as you head towards the camp. We have included this map, and directions, to help you find us easily.

KEY POINTS TO NOTE:

- When you pass **Te Anau Downs** on your left-hand side, you are about halfway to the camp (roughly 30 mins away.)
- You will pop out into **Eglinton Valley**. This valley is breathtaking and a perfect chance to stop for a picture!
- The **Mirror Lakes** are halfway along the Eglinton Valley, on the left left-hand side. Once you reach these lakes, you are approximately 5-10 mins away from the camp.
- The road past Mirror Lakes is flanked by trees (forming a corridor under the canopy.)
- As you come out of this corridor, you will see a signing saying Knobs Flat. The camp is situated there on the right-hand side of the road. **Eglinton Valley Camp** is well sign-posted.

TIP... If you have reached/gone past Kisok Creek DoC Campsite you have gone too far. Pull over, turn around & head back in the direction of Te Anau. Our camp is 450m along the road (back towards Te Anau) on your left.

See our map below.
